Kristin,

Please reach back to me should you not receive a response (-give till Tuesday). In the interim, I will check with the emergency ops folks tomorrow.

Thanks,
Leo

Thanks Leo. I did reach out to several folks yesterday, but I haven't been able to connect with anyone directly just yet.

I appreciate you sending this information along to your emergency operations team. If you have any other suggestions and/or people we should reach out to, please let me know.

Thank you again for your quick response!

-Kristin

Kristin,

Thank you for this outreach. I will certainly forward your email and contact information to our emergency operations team.

Have you reached out to others in the federal government about this request (HHS, FEMA) ?

Thank you

Leo

Leo,

Please allow me to introduce myself—my name is Kristin Williams, and I head up Government Relations at Eastman Kodak Company. I received your name from Sohail Mosaddegh.

Kodak has a specialty chemicals business based in Rochester, New York, and we have the capability to manufacture **chloroquine and hydroxychloroquine**. We are trying to reach out to HHS in order to determine how we can support the effort. Kodak would need a waiver from the FDA's cGMP requirements.

If you could provide any guidance, I'd appreciate your feedback. Please hang in there during these challenging times.

Many thanks,
Kristin Williams
