Thanks **C** I assume the scope of the requirements will extend past the COVID treatments for other Generics as well- Am I correct?. Will there be a broader list?

We will be briefing the CEO later today. Are you available for a 5 minute call.

Thanks
Nagraj

Hi B

Can we get a list of the critical India API items to focus on. Can you talk now?

Thanks

Focus on one thing right now- how fast can you begin making chemical precursors... how many and how fast

India is shutting down their api production
