Subject: YRCW Update DOD Waiver Request Progress

Hi Everyone

Darren had a productive call with USTRANSCOM yesterday late afternoon and they indicated their support of our DOD waiver request. Good news as we were told their support is imperative to get this waiver granted.

All efforts are centering on the Secretary of Defense now as his office received our request last week as you know.

Two key individuals are:

Ellen M. Lord Under Secretary of Defense for Acquisition and Sustainment and Brigadier General Steven P. Whitney Principal Advisor to the Assistant Secretary of Defense for Sustainment.

BGR is running all their traps on Senate outreach to Secretary of Defense Esper.

The White House remains engaged and has been calling for updates frequently.

I will get an update to you at the end of the day with any significant events or contacts.

Thank you for all you have done for the YRCW team.

Mike
