Noel
If you have a moment, please call me.

Specifically, I'd like to speak about COVID and a possible Executive Order from the President (as well as any effort related to the Defense Production Act).

My cell number is [REDACTED]. Thank you, Ken

Thank you for the outreach. It's very kind of you. I wish there was something you could help with; I don't think there is.

This is particularly tough on the producer community. We buy from 500+ farmers in that plant. More of these shut-downs and the fabric will come undone.

It's gut wrenching asking employees to operate when co-workers have contracted the virus. With Covid spreading throughout all of our respective plants, we're faced with a stark choice. Either maintain our country's food system or shut down. There can only be one answer.

Thanks again for the outreach. I hope the President and Congress will stand with us in the coming weeks. It's going to be a difficult month.

Ken
